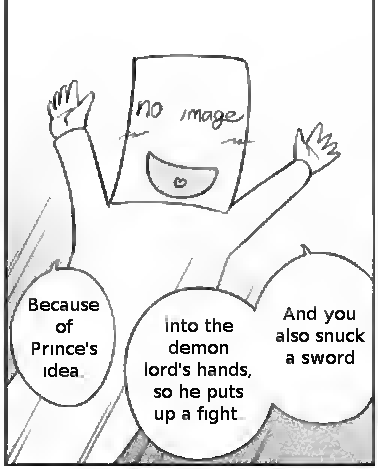
no image
3 Retired hero Student
Sage is that you?
Oh, it really is!
So what happened?
4 Retired hero Company Employee
I'm here.
And boy, do I remember this thread title...
5 Retired hero Prince
You're Sage, aren't you?
Oh, yes, you are.
Just what happened?
You even locked the thread

6 Retired hero Soldier
Reporting in
Did something happen after that previous thread?
Speaking of which,
he called himself Magician before that
Indeed, that's what caused him to use this name
And he's still calling himself Sage
9 Retired hero Sage
That's Sage of the forest, mind you! lol
If you're just screwing around, I'll leave now
11 Retired hero Sage
Ah, I'm sorry, Prince, I'm seriously in trouble, please help me!

For starters, look at this thread
I can't beat the demon lord, he's too strong! [Active heroes side]
no image
Woah
Oh shit
Wait
This looks like a new thread
Oh?
This is...
The current hero of Sky Garden
isn't he?
The thread creator is...

From what he's saying, I think it's the summoned hero
Hmm
Hold on,
let's recap
18 Retired hero, Sage
Looks like it
Sky Garden currently has 2 heroes,
and the demon lord is level 5, right?
20 Retired hero, Sage
Yep



24 Retired hero: Student
Nothing

25 Retired hero: Company Employee
Oh, nothing

But reading that thread shows that the demon lord is using it...
And
I have no idea what happened with the sword after I gave it to the union...
2B Retired hero: Student
Yeah, it says the demon lord beats them with a single attack, using a black sword.
no image
29 Retired hero: Company Employee
Isn't the demon lord only level 5?
How are they losing?
Sage, don't tell me that you didn't balance the swords when you made them...
30 Retired hero: Sage
.....
31 Retired hero: Prince
Sage?

Teehee.
33 Retired hero Soldier
This is no laughing matter!
34 Retired hero Company Employee
lol What are you doing?
and while I was following the recipe and adding the various attributes, I started having fun
So,
I went overboard and pulled a few all-nighters,
Well,
to make all 3 swords
back then I was in a rush

36 Retired hero. Company Employee
lol

37 Retired hero. Soldier
lol What are you doing?

38 Retired hero. Student
All-nighters can be quite something.

no image

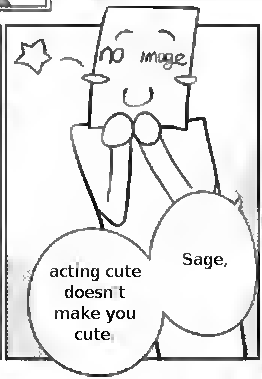
39 Retired hero. Prince
Truly, what are you doing?

上手に狩れました
I seemed to be enjoying myself, fighting a diluted beast,
and harvesting it's fangs and claws for use as ingredients

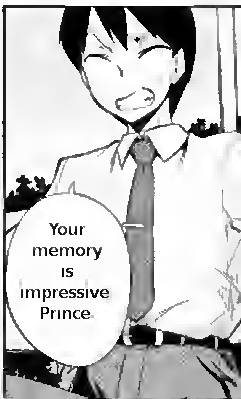
43 Retired hero, Sage
Teehee

I don't remember those ingredients ever being mentioned in that thread
Hold on a minute,

I'm leaving!



no image
acting cute doesn't make you cute
Sage,



Your memory is impressive Prince

On top of that,
a bunch of the jewels and ores in my house disappeared,
if those got in as well...
I'm sorry, Prince.
I'm really sorry! It's true that it wasn't mentioned in the recipe,
and adding it turned out pretty bad...
On top of that,
50 Retired hero: Company Employee
Whoa, man...
51 Retired hero: Soldier
If that's...
52 Retired hero: Student
And this is why Sky Garden's magician...
no image
53 Retired hero: Prince
This is why sky Garden's magician...
I had the demon lord's level checked
Figuring that this is bad,

56 Retired hero Soldier
Huh?!
That s not something you send mere subordinates for

57 Retired hero Company Employee
Yeah, uh, that s bad.
It s a bloodbath.

58 Retired hero Student
Woah!
You really screwed that up!

60 Retired hero Sage
I know
I've reflected on it
It's too late to do anything about that though
61 Retired hero Student
Well, yeah, the active heroes are complaining about the demon lord being too strong

no image
By the way, Sage
Did you lock this thread so the active heroes don't figure out that you caused it all?
Sneaky!
I even want to ask the union to delete the previous thread!
it'll be bad if they figure out!
Well,
63 Retired hero Soldier
True, if they look around, they'll find that thread
64 Retired hero Prince
You caused all this, don't try hiding the evidence now
Huh?
has become rather interesting
the summoned hero's thread
no image
By the way,

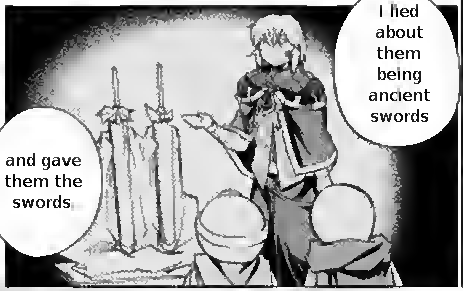
68 Retired hero_Company Employee
Well, you're quite well known among the heroes, lol

69 Retired hero_Soldier
Some of them are talking about how weird you look, lol

70 Retired hero_Prince
Well, looking at the world name would lead some people to figuring out what happened

72 Retired hero_Soldier
Still, what are you gonna do?

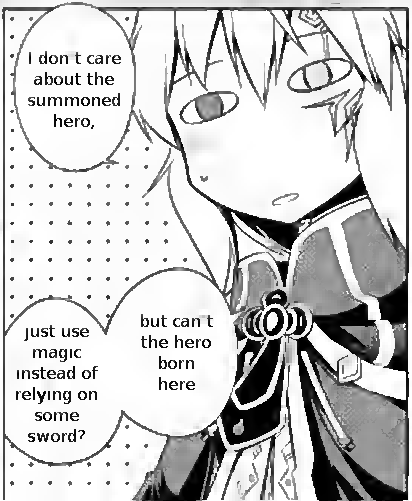
73 Retired hero_Company Employee
Wait, don't they know that you made the twin swords?



75 Retired hero Prince
It doesn t change the fact that you gave them the swords

76 Retired hero Student
It doesn t really matter who made them anymore

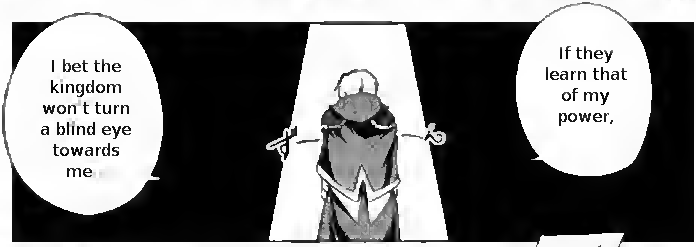
79 Retired hero Soldier
He s trying to escape reality



81 Retired hero_Sage
They can, but, they re only around level 3 or 4
82 Retired hero_Student
Normally that d be plenty
no image
Can neither of the heroes use magic?
Hmm,
And how good is their physical strength?
84.Retired hero_Sage
You mean with the sword? Uh, I think it s around 6
It s over
It's hopeless.
It s hopeless

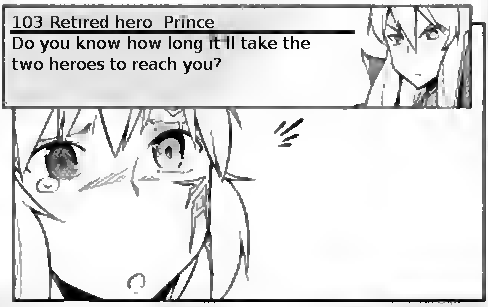
88 Retired hero Student
Breaking News!
The hero has decided to go ask the sage of the forest about this!
Applause!
no image
にゅっ
Now's not time time for jokes!
Aaaah!
What should I do?
90 Retired hero Prince
There's no choice left, you'll have to strengthen them
91 Retired hero Company Employee
Strengthen?
92 Retired hero Soldier
The swords?
Ah,
so it comes down to that in the end?

94 Retired hero Student
Or the sage of the forest can join the two heroes!
no image
森の賢者
対の勇者
No! Do not want!
Besides, why bother with the heroes then?
96 Retired hero Soldier
Well, to let them regain face...
97 Retired hero Company Employee
This is why Sky Garden s *...
Hmm...
Strengthen the swords, huh...
But, won't that be bad?



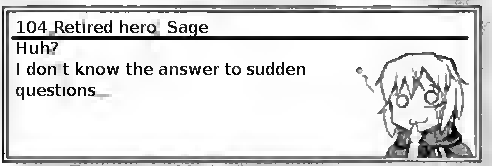
100 Retired hero_Student
Ah, Sage's traumatic memories are coming back. lol

101 Retired hero_Company Employee
Oh yeah, he didn't want to marry the princess, so he holed up for 200 years. lol



103 Retired hero Prince
Do you know how long it ll take the two heroes to reach you?

Sage,



104 Retired hero Sage
Huh?
I don t know the answer to sudden questions

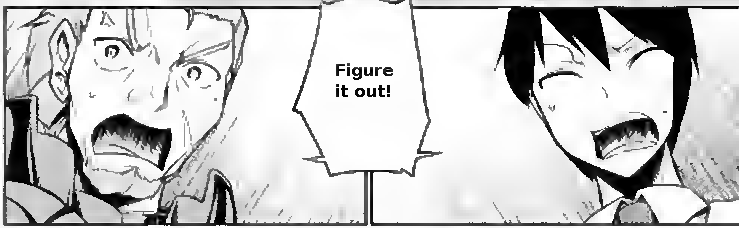


Figure it out!

I see

107 Retired hero Sage
Hold on a minute
If they re at the demon lord s place
It should take about 5 days for them to come here

and enshrine them in the depths of a dungeon
In that case, use this time to make
twin swords that match the level 8 sword,
that you'll also build
no image?
but why the dungeon?
I get the swords,
110 Retired hero, Sage
Huh?!
for example,
We just need a reason to present even stronger swords,
Well the current twin swords are useless, correct?

Ah, I get it,
if you give them swords,
then
give them even stronger swords,
what was the point of the initial swords?
something like that
prove yourselves in the dungeon to obtain the power you need
Wait, hold on!
A level 8 pair of swords and a dungeon?!
And he only has 5 days to make them?!
He caused this problem, he'll have to resolve it himself

117 Retired hero: Sage
Uugh..
Yes...

118 Retired hero_Sage
Well, until the heroes get here,
I'll hole up and make everything
I'll make the most difficult dungeon
possible for them!

123 Retired hero_Prince
This case has been resolved, I'll excuse myself now

124 Retired hero_Company Employee
Uh... Good luck, Sage

125 Retired hero_Soldier
I wish you luck, Sage...

126 Retired hero_Student
Sage, give a report on your progress later!

no image

I'll show them!

Alright!
